IGCSE Subject Choices (2026–2028)

Name: _____

Date: _____

All students study the following subjects:

- Mathematics (Core or Extended)
- English Language (First Language English and Literature in English)
- French (First Language French or Foreign Language French)
- Physical Education

Students who require additional support in English may take English as a Second Language.

We also offer a bridging programme for students who need further language development. This programme provides English as an Additional Language (EAL) and is delivered by our English Language Institute (ELI).

Please select your preferred additional subjects from the five option blocks below.

Important guidelines:

- You must choose **at least one Science** subject.
- You must choose **at least one Humanities** subject.
- A subject will only run if there are sufficient student numbers (normally more than two students).
- You may select a **sixth subject as a reserve choice** in case one of your preferred subjects is not available.
- All choices will be reviewed before final timetabling is confirmed.
